> "Whereas, the Southern Annual Conference is now located in one of the most favorable and strategic sections of the great Southwest, and
>
> Whereas, the foundation has already been laid for a large and permanent work, and
>
> Whereas, we are eager to hold and attract to our Conference the highest type of young men both spiritually and mentally, and at the same time afford to all members of the Conference a larger opportunity, and
>
> Whereas, it has become increasingly difficult to build our Conference along these lines, due to certain limitations under which we now labor;

Therefore, be it resolved, that we respectfully request this Conference to authorize our Presiding Bishop to appoint a Commission of five (5) to study the feasibility of a union of the Southern Annual Conference with the Oklahoma Annual Conference; the commission to confer with members of both Conferences, and to bring in a suitable report at the next annual session of the Southern Conference."

VI. REPORTS

(a) District Superintendents

BRENHAM DISTRICT

Dear Bishop and Friends:

In presenting this my fourth and final annual report of the Brenham District I beg to recognize the following new members: Dr. W. R. Polhamus from Knoxville, Tenn., now pastor of our First Church in Dallas; Rev. Theodore Moberg from Minneapolis, Minn., now pastor of the Central Church in Austin; Rev. W. S. Franklin from Broken Arrow, Okla., pastor of our Broadway Church in Fort Worth.

If the work has been harder this past year than formerly, we have heard very few complaints from the men on the Brenham District. Upon my visits we have found good attendance, and in most places good attendance at League services. The Sunday School work has been greatly hindered in many places because of inadequate facilities and room. We are sure that the church that takes care of the children and the young people today will be a great church tomorrow. We are specially pleased to see the efforts put forth in organizing the children of our parishes, into confirmation classes and in instructing them in the doctrines and rules of the church. The pastors have held more revival services this fall than usual. Possibly we realize that this is a real harvest time for the church.

What we see today at Collins you may see to a certain degree at every church of our District around Houston. At an early date plans were made not only to entertain this large Southern Conference of ministers and laymen but plans were also made to provide adequate room for the Sunday School and Young People's activities. How far we have succeeded in this respect we shall let you judge. The pastors have been very busy all year. Such is the case at the Norhill Church in Houston where a 50x40 Sunday School building has recently been dedicated. The Pearland-Arcadia charge will have their church improvements completed in a few weeks. This also includes the improvements made on the parsonage and in all about $1,200 were spent this year. The Fairbanks congregation has enjoyed the use of their new Sunday School room dedicated in the summer free of debt. Paint has greatly improved the Brenham property as well as the property at Addicks. Austin has spent several hundreds of dollars in improvements in the tower rooms. Waco has applied for a Revolving Loan to make necessary repairs

and remodel church and parsonage. To date they have spent over $200. All over the District there has been sacrificial giving by both pastors and congregations.

As a merged Conference we experienced a departure last year in the appointments made at several places. It was a League of Nations experiment. The congregations have all requested the return of the pastors by Quarterly Conference vote. Possibly the best solution of such questions rests in the Bishop's appointment of a representative from each group represented in this Conference as a member of the Cabinet.

I shall only comment on the school work in this District. Blinn Junior College at Brenham had a very good school year, 1931-32. At present there are enrolled 150 students in all classes. Dean Grusendorf is looking forward to a great Fiftieth Anniversary this school year. At Austin they still operate the Texas Wesleyan College. President Walter R. Glick carries on the work by using a small part of the income from the interest derived from the $110,000 Texas Wesleyan Permanent Educational Fund. About 35 are enrolled. Our Conference member, Rev. J. F. Sarner of Galveston, has directed the affairs of the Adoue Seamen's Bethel. The city has recognized the splendid work at their anniversary days. Eighty-five services have been held during the year. Scriptures and good literature distributed amounts to 12,665. Free lodging has been given to 6,703. There have been 2,605 sent to the hospital, and over 500 sick calls made.

Under the closing months of this year Brother August Didzun expressed his desire to retire from the active ministry. We well remember the last Quarterly Conference. His Heavenly Father called him November 1st to the heavenly home. He was a man that placed the Kingdom above his own personal wishes. He left his charge ready and anxious to secure a young man to carry on the good work. Brother Karback completed successfully the year's work at Addicks and Rose Hill.

Our District has been the loser in the death of four of the great veterans of the Cross. May God comfort and cheer the loved ones in this loss. Mrs. Henry Hopkins has our sincere sympathy in the loss of her mother. Mrs. Karling of Texas City has spent a number of weeks in the hospital during the year. The Schmalz home in Denton has been visited by serious illness. We extend Rev. and Mrs. Eric J. Anderson our sympathy in the loss of an infant son. The doctors advise Rev. C. W. Bergquist to remain at home during Conference and rest up after a serious heart attack.

The year 1932 has been full of meaning to us all! The General Conference has voted to allow laymen and ministers to come together this year for the first time in an annual session of our Con-

ference. We welcome these laymen in this our first session together and may God make this venture a great success! And now we have the worthy example of a united English Methodism and a united Canadian Protestantism to lead our great Methodist bodies of America back into one great Methodism again!

To the Church that has honored me with this high office of the District Superintendency, I can report today that I have openly and frankly dealt with all. I shall carry with me the happy memories of the many miles and hours made pleasant in company with you, my friends. May God's blessing abide with you.

With Paul, the great missionary, we may repeat these words: "So then, as we have opportunity, let us work that which is good toward all men, and especially toward them that are of the household of the faith."

Respectfully submitted,
OSCAR E. LINSTRUM,
District Superintendent.

LAKE CHARLES DISTRICT

Bishop Charles L. Mead, Ministers and Laymen of the Southern Conference:

In submitting this, my annual report, I desire first to recognize the presence of the lay delegates, and to express my pleasure in the legislation which recently gives them a rightful place in this assembly. My twenty-eight years in the Methodist ministry, and the association with you as District Superintendent in your local Church problems, have led me to place great value upon your Christian character and splendid judgment in the management of the affairs of our Zion. Therefore, I prophecy a safe destiny for our great Church because of you.

The pastors on the Lake Charles District are loyal Methodist preachers, conscientious Christians, and for the most part, diligent. They present a proud comparison with the pastors of other denominations where they serve. With but one single exception they have been invited back to their present charges for another year.

On August 22nd the death angel visited the parsonage at Noonday and took home to heaven Sister Mann, the wife of our pastor, W. C. Mann. She was a woman with a meek and quiet disposition of which St. Peter tells us is in the sight of God a great price. It is our prayer that the comforts of the Christian religion will bless Brother Mann and his children in these sad and lonely hours.

Our churches have been kept open and the regular services have been held. Not one preaching appointment has been discontinued

in spite of the depression and reduction in Home Missionary Aid. All over the district other denominations have discontinued or are holding fewer services in their local churches, with their pastors out of employment, while our pastors and laity are busy carrying on. We are planning to secure the services of our Bishop for a week on the Lake Charles District, and at that time we will dedicate Sunday School annexes at Jennings, DeQuincy, Marshall, and one church building on the Sabine Circuit. Not only have all the churches functioned, but new classes have been organized. Three new church organizations have been started, and a number of preaching places opened. In this connection we desire to speak particularly of our Spanish speaking church in New Orleans. It is the child of our First Italian Church and is pastored by Reverend Joseph Napoli, a local deacon in our Italian Church. This Spanish church is using the Italian church building to conduct services in at present.

The spiritual activities and results over the District are encouraging. Our pastors and people are evangelical, and the increase in membership this year is gratifying. Our Sunday Schools and various young people's organizations are for the most part in good condition. In some cases some of our oldest churches have the largest Sunday Schools in their history. The women's district organization has rendered valuable service in the matter of keeping the women's organizations in the local churches stimulated and at work.

A word personal. I count it a great pleasure and a high joy to have had the honor of serving the church and my Conference in the capacity of District Superintendent.

I am your servant in the Church.

RUSSELL T. PYNES.

SAN ANTONIO DISTRICT

To Bishop Mead and the Members of the Southern Conference:

In presenting this, my third annual report to the Conference, I shall try to do it to the honor and glory of God. Although there have been many unpleasant experiences during the year, yet there was, and still is, every reason to be thankful, and with the Psalmist we will say: "Bless the Lord, O my soul: and all that is within me, bless His holy name. Bless the Lord, O my soul, and forget not all His benefits."

There are 22 appointments on the San Antonio District, and in all there are 33 preaching places. There were 20 active men and

two supplies appointed at the last Conference to serve these charges. God watched over the life of all the men on the District, so that we come to the close of another year with all the men still on duty. Although some received barely enough support to maintain themselves and their families, yet they all tried to do faithful work in the vineyard of the Master.

Time and space will not permit me to report each charge separately, and so I shall mention a few general facts concerning the work on the District. Even though we have different nationalities on the District, there was harmony and accord among the ministers and all worked together to build up God's Kingdom. In twenty of the charges we do bi-lingual work. Only two charges use the English language exclusively.

On nearly every charge the pastors arranged for one or two special meetings during the year. These were either conducted by the pastors themselves or by a neighboring pastor who was called to assist. The reports received by your District Superintendent indicated that in nearly every instance God's people consecrated and dedicated their lives anew to the service of the Master, and as a result many ministers report a better attendance in their prayer meetings as well as church services.

Our Benevolences: World service interests have dwindled down considerably, and criticism rather than encouragement is often given. Even some of those who in past years have been supported largely by missionary money criticise and belittle our boards. The same is true about our sustentation funds. Last year the San Antonio District gave $3,334 for World Service and $1,511 for Sustentation; the figures this year amount to only about 60% of last year's giving. In some instances, the major part of what was given came through the Sunday Schools.

Improvements: Since the financial condition is affecting our religious life so much, it seems that our people were not interested in making improvements on the church property during the past year. Only minor improvements were made in a few congregations. We are happy to say that most of our churches were paid for when they were built. Consequently, we have only a comparatively small indebtedness on our churches and parsonages on the district. In most instances payment for the indebtedness is provided for. The greatest indebtedness is on our Trinity Church in San Antonio, and there we are facing a rather discouraging situation, but we hope to be able to find a solution whereby we can save the church as well as the congregation.

Organizations: The work on the district is well organized, and in every place we have efficient co-workers to assist the pastor. We have a Sunday School in every congregation. There are a number

of Junior and Senior Leagues on the district. Through these our young people are developing their talents in the social, recreational and spiritual life. Many of our Leaguers attended our summer Institute at Brenham, Texas during the week of August 8-14, and are now practicing in their own Epworth Leagues the suggestions received there. The Woman's Foreign Missionary Society and the Woman's Home Missionary Society are doing commendable work in many of our congregations. Our reports will show that in several congregations more was contributed towards these organizations alone than to the entire benevolent program of the church. In nearly every charge we have a lively Ladies' Aid Society. Were it not for these organizations, some of the bills would perhaps never be paid.

At the beginning of the conference year we had nine of the retired men living within the bounds of the San Antonio District. Two of these brethren have answered the final summons during this past year. Brother John C. Groth, who lived in San Antonio during the past twenty years, passed away April 10. Brother G. W. F. Schreiber was called home October 10. Brothers Buehrer, Homburg, and Schuessler live in Seguin, Texas. Brother Olander lives on his farm near El Campo, and served as supply during part of the past year. His health failed, however, and he has not been able to carry on the work since August. Brother Gus Schulze, Sr., lives in Mason County and preaches every other Sunday. Brother Sievers has his home near Monthalia and devotes his service principally to the Monthalia congregation. Brother Urbantke worships regularly with our people at Moody. Although some of these men are octogenarians, they are still an inspiration to the younger men, and each one has either directly or indirectly been a help or inspiration to their district superintendent. Besides these, the following ministers' widows live within the bounds of this district: Mrs. Louise Koch, Mrs. Emma Pluenneke, and Mrs. Amalia Traeger, all having homes in Seguin. Most of these conference claimants enjoyed fair or good health during the past year, excepting Bro. Homburg, who was ill several times during the year, and Bro. Olander, who was mentioned before.

Permit me to make a few suggestions. Every four years our church issues a revised edition of our church discipline. It would be of great value to every pastor and layman to secure a copy of the new discipline and study it. The lack of interest of some congregations in our general program as well as in the program of the conference can be traced back to the lack of interest of some ministers. Here at our annual conferences we agree to do certain things during the year. In looking over the statistical, as well as finan-

cial, reports, one can readily see which ministers are actually lining up with the conference program. The future of our conference depends upon how well we abide by the program as adopted by the conference.

Personals: The work on the district was willingly done, and shortly after adjournment of the last conference, we began visiting the different congregations and planned the work for the new year. The honor conferred upon me to be elected as one of your delegates to the General Conference was one of the happiest experiences in my ministerial career. I have the future of our Conference at heart, and trust that some of the changes that were suggested will help our Southern Conference. I also lost almost all of the month of October, due to illness, but I am grateful to the Lord that He has restored me so that after taking this forced vacation, I was again able to continue my work. The reception in the homes of the ministers, as well as in the homes of the laity where I had occasion to visit, was very cordial. I have tried to be a real brother to every one, and we have talked, and planned, and prayed through our problems; we have laughed and sung together, and I have enjoyed the fellowship with these families. Where we have failed to do the right thing, we pray for forgiveness. Where we have succeeded and been of any help, we want to give God the praise.

Respectfully submitted,

C. F. BOHMFALK.

REPORT OF THE CONFERENCE BOARD OF EDUCATION

We, your Board of Education, have carefully considered the various matters pertaining to Christian Education in this Conference and beg leave to make our report and recommendations as follows:

I. YOUNG PEOPLE'S WORK

1. We recognize the importance of the work of the Sunday School and the Epworth League and feel that this part of the work of Christian Education has not received the interest and support of the Conference that is due it. We do not find it feasible to recommend the appointment of a full-time director of religious education, but we do recommend for your consideration the appointment of a suitable person in each district to promote and supervise this important phase of our church's program of religious education, especially in rural sections of the Conference. We further recommend that the Conference requests the return of the Rally Day offering for the promotion of religious education. The person appointed to this work is to give only part time to it in a supervisory way. We urge that there be the closest co-operation between the officers of the Sunday School and the Epworth League in the preparation of the program for the young people.

2. We earnestly urge our pastors not to forget the annual children's day offering required by the discipline. This worthy fund should receive our close attention, as it is greatly needed.

3. We recommend a more general advance of the twenty-four hour day plan by our Epworth Leagues, and we urge our pastors to bring this matter to the attention of their young people.

4. We had before us the report of the Board of Control of the Epworth League Institute and we recommend most highly the work done by the Institute the past year, and further recommend the holding of at least one Institute next year.

5. We recommend that the following constitute the Institute Commission: C. M. Nyquist, H. K. Faulk, C. F. Bohmfalk, L. J. Rode, H. M. Hopkins, John Deschner.

II. EDUCATIONAL INSTITUTIONS

We have considered the various matters pertaining to our educational institutions, and we make the following recommendations:

1. That we receive the report of President W. R. Glick of Texas Wesleyan College and President Carl Vaughn of Port Arthur College and Dean A. A. Grusendorf, and that these reports be published in condensed form in the Conference Minutes.

2. That the following men be named as Conference visitors to institutions as follows:

(a) Blinn College—Rev. W. E. Wisseman, Rev. C. M. Nyquist, Rev. W. H. Bengtson.

(b) For Port Arthur College—Rev. John Deschner, Rev. C. W. Rodgers, Rev. H. K. Faulk.

(c) For Texas Wesleyan College—Rev. R. R. Bloomquist, Rev. A. A. Leifeste, Mr. John Bush of Georgetown.

3. That in view of the fact that the Board of Education of the M. E. Church has discontinued appropriations to Educational Institutions and in view of the further fact that other sources of revenue for Educational Institutions have been materially reduced, it is urged that this Conference give due recognition to the financial needs of Blinn College, and that systematic efforts be made by every church in the Conference to give reasonable financial assistance to our Conference Educational program as it centers at Blinn College. In order to carry out such a systematic program, it is recommended that the District Superintendents and three members of the Conference Board of Education be appointed as a committee to determine the various amounts that the various churches in the Conference should be asked to raise for the College.

4. That the Conference give due recognition to Texas Wesleyan College which has for twenty-two years given the boys and girls an opportunity for a Christian Education. This institution will

terminate its operations with the approaching commencements and it is urged that the Conference co-operate in every possible way in the proposed celebration that is to mark the close of the career of this noble institution.

5. That in view of the fact that Blinn College is now in its 50th year, it is urged that the Conference co-operate in every way to give due recognition to the Founder's Day program which will be given on March 28th, 1933, and to the Golden Anniversary Commencement to be held at the close of the current school year.

6. That the following men be elected as Trustees at Port Arthur College for the next three years:

(a) For the Southern Conference: R. T. Pynes, E. E. Hoffpauir, F. E. Gifford, G. M. King, W. H. Smith.

(b) For the Board of Education of M. E. Church: Bishop Charles L. Mead, H. K. Faulk.

7. That a continuation committee consisting of A. A. Leifeste, H. K. Faulk, B. H. Fleming, be created for the purpose of studying the general program of Port Arthur College and all matters pertaining thereto including the personnel of the Board of Trustees of said College and to report their findings and make their recommendations to the next Annual Conference.

8. That in view of the investment of some thirty thousand dollars ($30,000.00) that the M. E. Church has in the Port Arthur College, and in view of the further fact that two-thirds (2/3) of the control in the Board of Trustees is vested in the M. E. Church and the Southern Conference, we urge that this Conference use its influence towards shaping a policy that will make the school a thoroughly Christian institution.

9. That in view of the valued services rendered to our Conference by Dr. Davidson, representing the Board of Education of the M. E. Church, we recommend that this Board express to him our deepest appreciation.

Respectfully submitted,

THE CONFERENCE BOARD OF EDUCATION,

By: A. A. LEIFESTE, Chairman,

B. H. FLEMING, Secretary.

EVANGELISM

To evangelize the world still remains the paramount task of the Church of Christ. Our own beloved church has ever been evangelistic, and there has never been a time when the church should manifest a greater effort to promote the activities of evangelism than in these days of great opportunities and need. The committee, therefore, recommends that a careful study be made in every charge as to how best carry on the evangelistic work by means of revival meetings, personal work and otherwise.

THE COMMITTEE.

MOVING EXPENSE COMMITTEE

1. The Moving Expense Committee recommends that the present system of paying the moving expenses by the charges in the Southern Conference be discontinued, thereby leaving the responsibility of this obligation to each congregation.

2. The Moving Expense Committee further recommends that the amount borrowed from the Preachers' Aid Society be raised in the following way: That this Conference go on record, asking all

churches which have not met their moving expense assessments during the past two years, shall be requested to pay this amount into the moving expense fund within six months after Conference.

3. The Committee further recommends that O. F. Kattner be re-elected for the ensuing year.

THE COMMITTEE.

RESOLUTIONS

We, the members of the Southern Annual Conference, are grateful to our Heavenly Father, that it has been our privilege once more to meet in annual conference session and enjoy fellowship with one another.

We also desire to express our appreciation to all who contributed to make this occasion profitable and delightful, in the following resolutions. Therefore, be it resolved that:

We extend a vote of thanks to the pastor of Collins Memorial Church, the Rev. Jno. J. Brodhead, and his assistants, for their successful planning and arrangements to make the members of the Conference feel welcome.

Also to the members of the church and their friends who so kindly opened their homes to us, and who so royally entertained us.

Also to those who so ably assisted in the musical program of the Conference.

We wish to express to the Mayor of the City of Houston, Judge Walter Monteith, our sincere appreciation of his gracious words of welcome.

Again we desire to thank the daily press for the publicity given our proceedings and especially to The Houston Chronicle for the free copies of their paper.

Furthermore, we are glad to have had in our midst, Bishop Raymond J. Wade, representing the Board of Foreign Missions, who has thrilled us with the presentation of the work in other lands. Also Drs. Kohlsted and H. C. Leonard of the Board of Home Missions and Church Extension, Dr. Davidson of the Board of Education, Dr. King Vivian, president of Southwestern University and Blinn College, and various other speakers; all of whom we do thank and say come again.

Lastly, the coming of Bishop Charles Mead of our own area to preside over the conference, is a source of great pleasure to all the members thereof, and we, with one mind, declare that his tactful administration and brotherly spirit, together with the series of inspiring addresses given by him at the four o'clock hour each day,

has lifted us to a higher plane of vision and thought, calling us to attempt greater things for the Kingdom work, and to him we say, thank you.

Thus we shall part to do our duty under the hand of God until we meet again.

Signed: C. L. ELLIOTT, Chairman,
A. C. PETERSON, Secretary.

COMMITTEE ON STATE OF THE CHURCH

The reports at this Conference, referring to the deepening of the spiritual life of our people, have been very gratifying. If there ever was a time for a deeper, personal experience of the Christ, it is now during this time of peculiar economic distress.

We recommend that our pastors continue in their emphasis upon this phase of the Kingdom work.

Respectfully submitted,
W. E. WISSEMAN,
WM. H. BENGTSON,
ARTHUR G. ELLEY.

WORLD SERVICE COMMISSION

Recognizing as we do, the important part that World Service has had in the development of Christianity, we wish to consider the serious falling off of gifts at this time. We feel, after surveying the reduced giving, that the churches have tried to do their best.

Looking forward to the coming year and hoping that at the next Conference we will be able to show an increased giving, we therefore recommend:

First, that the preachers regularly present the cause of benevolences to their people through the public services of the church.

Second, we recommend that once more the preachers be diligent in solicitation of funds from their members who otherwise do not contribute at the public appeal in the church.

Third, we likewise suggest that Mission Study Classes be organized among the people that a better understanding of the entire question of benevolences be made known to our people.

We wish to express our deepest appreciation for the inspiration that was brought to us by Dr. Kohlstedt and Dr. Leonard, representing the Home Missionary Society, and also the fine inspirational messages brought to us by Bishop Wade.

JNO. J. BRODHEAD, Chairman.

(c) Special Committees

SPECIAL COMMITTEE

We, your Committee on Temperance, Prohibition, and Public Morals, beg to submit the following report:

In view of the great blessings which have come to our country, in the outlawing of the saloon and the liquor traffic, we hereby reaffirm our whole-hearted support of national prohibition as the fixed policy of the United States Government.

In view of the most insidious and pernicious propaganda ever directed against any policy of the government, we call for a more aggressive campaign of education in the interest of our common objective. We deplore the fact that our people are so largely misled by the avalanche of half-truths, misrepresentations and falsehoods concerning actual facts, as presented by the liquor interests. We call upon our people to hold steady and get the whole truth in this matter and not be misled by liquor propaganda.

We call upon our public officials to bend every effort to enforce the prohibition laws as well as all laws in compliance with their sworn oath of office.

We call upon our legislators, declaring our unqualified opposition to change the 18th Amendment, or the Volstead Law, modification or repeal are not steps to sobriety and temperance, but costly concessions to the liquor traffic and all of its evils.

"We face the issues before us with confidence and determination. We believe in the triumph of the right. We believe in the hand of God in our national affairs. We appeal to all Methodists everywhere so to live in conformity with the spirit of Christ that by their lives they may emphasize decency, self-control and sobriety, and that by their co-operative efforts they may help to create a social order free from the evils that inhere in the beverage liquor traffic."

Respectfully submitted,

THEODORE MOBERG,
H. K. FAULK,
W. O. SCHULZE.

BLINN MEMORIAL COLLEGE

To the Southern Conference of the M. E. Church:

The purposes of Blinn College as a branch of Southwestern University are stated in terms of the needs of students who attend this institution. They may be briefly summarized as follows:

1. To provide an atmosphere in which young people will have the opportunity to build strong and dependable character and to develop personalities which will enable them to live a life of usefulness and happiness.

2. To prepare for advanced study in senior colleges and universities those students who intend to enter the professions or who wish to work beyond the junior college level.

3. To prepare for a worthy vocation those students who do not expect to continue their training beyond the junior college level.

4. Attention is given to the many who find it impossible or undesirable to continue their education beyond that which directly benefits them in the vocations they will enter upon leaving college.

Dr. King Vivion has faithfully been serving as president of Blinn College as well as of Southwestern University. His leadership and his inspiration have been a source of encouragement and his constant belief that this type of education is worthy of perpetuation deserves highest commendation. We are deeply indebted to Dr. Vivion for his interest in this institution as he has given us his time and energy thus far without cost.

Rev. A. A. Leifeste, who has been serving for two years as our field representative, has been devoting much time and effort to the cause of Blinn College and it is sincerely hoped that the work he has been doing through these two years will continue to show good results for the institution.

I feel that it is my duty to call attention to the fact that this institution will prosper very largely in proportion to the amount of support, both moral and financial, that our Conference will give. This institution still needs, as it has always needed, the enthusiastic good will of all its friends and constituents throughout the year, as well as a reasonable amount of financial assistance. As I see it, there is no point in any denominational agency to attempt to foster a program of Christian education unless such agency is willing to give its full co-operation and enthusiastic support to the carrying on of such a project.

The time has come when something needs to be done toward the building of adequate living quarters for men. For many years the

question has been "can we afford to rebuild our boys' dormitories?" The question that now confronts us is, "can we afford not to make adequate provisions for comfortable living quarters for men?" The women's dormitory is in urgent need of certain repairs that should be made at the earliest possible moment, and the same can be said for the main building. To make these physical improvements at the college in the near future would, in my judgment, be one of the most effective forms of investment that can be made on this campus.

The Golden Anniversary Committee of twenty-five ex-students has been in session several times and has made definite plans for carrying out a Founder's Day program over some radio station on March 28, 1933. Definite plans have also been made for appropriate forms of celebration next commencement. It is the consensus of opinion of the members of this committee that some effort should be made toward raising some funds during this current year. The details of this undertaking have not been worked out as yet. Whatever will be done in this matter, however, will need and merit the unfailing and enthusiastic co-operation of all the ministers and laymen of our Conference.

BOARD OF TRUSTEES OF THE TEXAS WESLEYAN PERMANENT EDUCATIONAL FUND

The high water mark passed by the Conference at its last session was on Friday morning when the resolution was adopted looking towards the creation of this Board of Trustees. It is charged with the handling of the largest financial assets of the Conference, realized from the sale of Texas Wesleyan College property.

This Board was elected last Conference session and ordered to organize and begin its work prior to April 1st, 1932. The first meeting of the Board was held at Austin, March 16th, at which time the organization was perfected. At that meeting the report was made that the Texas Wesleyan College Board of Trustees had instructed its Treasurer to pay to the Treasurer of this Board the sum of $109,557.90, which is the sum reported at the last Conference, as the net proceeds from the sale of the above mentioned property. This amount accordingly was paid to our Treasurer, Mr. Otto Bengtson. The Board of Trustees held four meetings during the year: on March 16th, April 4th and August 4th, in Austin, Texas, and on July 13th at the home of Dr. and Mrs. O. E. Olander in El Campo.

At the first meeting a committee was appointed consisting of Hagberg, Leifeste and Bergquist, which was to draw up suggestions for a trust agreement to be used as a guide in this matter. This trust agreement was adopted in the form in which it is submitted to the Conference at the present session. It is fruit of earnest consideration on the part of the Board. We might say that it has been adopted unanimously with the exception of one very small part in which case there was one dissenting vote. We trust the trust agreement will be adopted as submitted.

Anticipating the adoption of the instrument in somewhat the form it has been submitted, we have already gone ahead with the program of giving scholarships. Seven of the Emma and O. E. Olander scholarships have been made available this Fall. Three young folks, Lila Anderson, Eunice Linnea Anderson and Laura Richard Anderson, are attending the University of Texas at Austin, and four other young folks, Irby Mae Baker, Bernetta L. Muenzler, Viola L. A. Raeke and Alice Raeke, are enjoying their freshman year in Blinn. The total cost of these scholarships for the year is $554.00.

At the meeting in July, held in El Campo, the Board decided that the support to the work of Texas Wesleyan College will be withdrawn at the end of the school year 1932-1933. This action was taken because the Board realized that the usefulness of the college will have come to an end.

A word about money. The income from the funds since April 1st to date has been $788.65.

The expenses to date have been:

To the Texas Wesleyan College	$350.00
Payment of scholarships to date	332.50
Miscellaneous expense	20.30
Total	$702.80

The last figure represents printing of scholarship blanks, application blanks, mimeographing of the trust agreement, Secretary-Treasurer book, and a year's rent of safety box.

By the transfer out, last spring, of F. L. Hagberg, a vacancy has occurred on the Board. We therefore nominate as a member of the Board Oscar T. Olson of Austin, Texas.

Respectfully submitted,

J. F. SARNER, President,

CARL W. BERGQUIST, Secretary.

PREACHERS' AID SOCIETY

The Preachers' Aid Society met in the educational room of Collins Methodist Church, Thursday at 2 o'clock P. M. The president, A. A. Leifeste, was in the chair. Owing to the absence of the secretary, C. W. Bergquist, because of illness, C. W. Rodgers was elected temporary secretary.

PORT ARTHUR COLLEGE

To the Southern Conference of the M. E. Church:

At the close of our fiscal year, auditor's report shows our assets to be $167,366.62; liabilities, $9,734.51; net worth, $157,632,11. This does not show slightly over $23,000.00 permanent investment held by Methodist Episcopal Board of Education of the M. E. Church. We closed the year with a net profit of $990.09 for the twelve months.

During the past year we collected in cash and notes $43,504.14, and disbursed a total of $34,012.45. Items considered doubtful or uncollectible have been written off to the extent of $1,622.07. Our investment in Building and Loan, and First Mortgage Notes has increased $464.76, and now totals $10,297.81.

Where we have gone through the poorest school year in history, nevertheless, by a constant reduction in overhead, we have been able to maintain a sound, solvent condition, and at this time our budget is balanced. Our pay roll was reduced twice during the fiscal year, and an additional reduction of $288.60 will be made in July pay roll.

The past year we enrolled a total of 193 students in day school and 45 students in night school, a total of 238.

We spent a total of $5,273.04 for advertising, which consisted of direct mail, newspaper, radio broadcast, and one national radio magazine. Our major advertising program for the latter part of the year cansisted principally of direct letters and a catalogue that we consider a splendid book.

The alumni play an important part in advertising the school and furnish names of a great many potential prospects, and during the course of a year we enroll quite a few students through this medium. The entire college personnel are constantly making an effort to con-

vey to the alumni members the thanks of the trustees, officers and faculty for their wonderful spirit of co-operation.

We have added $981.78 worth of new equipment, consisting of banking fixtures that enable us to finish thoroughly students enrolled for bookkeeping. With the addition of our Banking Department we have materially raised our standard in the Bookkeeping Department.

In our Radio Department we have installed television apparatus and a 50 watt combined radio-phone and wireless code station that enables this department to communicate with amateurs practically throughout the entire world. This latter addition has been instrumental in changing Radio from the minus to the plus side of the profit and loss account.

We have also made an arrangement with Broadcasting Station K-F-D-M, whereby programs are put on the air four hours daily from studios located in the college building. This broadcasting is keeping the college constantly before thousands of listeners throughout the states of Texas, Louisiana, Mississippi and Oklahoma, and hundreds of complimentary letters are received each month.

The faculty is loyal, well balanced, and without doubt is doing everything within its power to maintain and improve the high standards that we advertise. We have found it necessary to reduce salaries of the entire force, and in this report I think it well worth while mentioning that each member of the organization has been broadminded enough to realize reductions were caused by matters beyond our control, and each one has accepted cuts in the proper spirit.

At this point I want to make special mention of Mrs. Stephenson and Mrs. Donegan; both have played a prominent part in paving the way for various and sundry changes that I have found necessary to make.

Our contact with the Southern Conference of the M. E. Board of Education has been pleasant, profitable and educational, and I extend our heartiest thanks officially and personally.

In closing this report, I want to thank in behalf of the faculty, employees and myself, the Board of Trustees individually and collectively for the wonderful assistance rendered. You gentlemen have spent many hours in attending to the affairs of the college and can only be repaid through the success gained by our students.

Respectfully submitted,

CARL VAUGHAN, President.

TEXAS WESLEYAN COLLEGE

To the Conference Educational Board.

Greetings:

The Texas Wesleyan College is having one of its best years despite the depression. Our enrollment is the best one in the past ten years. If our overhead expenses continue as they have thus far, we shall have operated at less cost than usual.

Our student body has changed rather largely this year from the boarding to the non-boarding type. We try to inculcate into this new type our Wesleyan traditions of a full rounded life through daily chapel exercises.

I shall not burden you with a general detailed report which can be furnished if desired by the Secretary of the Texas Wesleyan Board of Trustees.

Respectfully submitted,

WALTER R. GLICK, President.

THE SUMMER SCHOOL OF THEOLOGY

In point of number we had about the same attendance this year as last. The difference was that more men stayed through the course than last year. The school was very successful, with more who received their certificates for full ten hour attendance on each subject, than at any time.

We had no member on the faculty from our Church this year, because of the nearness, in point of time, of our General Conference, which made it impossible to secure any speakers. The coming year will again see a number on the faculty from our church. Last year we did not organize any under-graduate work, we had only two students in that department. As far as we are concerned, the school is practically a graduate school only.

Two recommendations:

First: That we continue our program by deciding to hold the school next summer together with the school at Southwestern.

Second: You will see from the financial statement that no disbursements have been made for traveling expenses. The brethren

came and went, a few stayed through. We did not decide on any form for payment of expenses. The men who carry through the work should have more consideration than those who do not.

I trust the Conference will take action on this phase of it, and decide who are entitled to receive consideration. A small offering in each charge in the spring would help. I fear the contribution from the General Board will be less next year.

WOMAN'S FOREIGN MISSIONARY SOCIETY

Bishop Quayle once wrote, "It is a grand thing to get hold of a cause that is large enough to get hold of you." The purpose of our W. F. M. Society is so large in its interests to humanity all over the world, and so Christian in spirit, that it is the grand thing which has taken hold upon many of us and kept us to the service.

During the Conference we had the privilege of having Mrs. Chas. L. Mead and Miss Bessie Meeker with us, who were a great blessing to all and rendered helpful service to our work.

We have now 90 organizations reported in all departments with a total membership of 1570. The reports of the past year show a decrease in organizations, members, subscriptions to our missionary papers and in finances. This decrease gives ground for serious thought and renewed effort. Let us do all we can to regain our losses.

For a number of years the San Antonio District has been responsible for the support of Miss Gazelle Traeger. This year Brenham District assumed the support of Miss Armenia Thompson.

Our sincere thanks are extended to each one who by faith and prayer, by thought and gifts has helped to carry the burden that made the report of this year possible.

We are grateful to God for all the mercies of the past year. For the new year we take as our motto, "Plan great things for God, expect great things from God." We go forward and face the future with confidence knowing that "He is able to do exceedingly abundantly above all that we ask or think."

The officers for the coming year are: Cor. Secretary, Mrs. Sam J. Blumberg, 905 E. College St., Seguin, Texas; Treasurer, Mrs. Ben E. Schmidt, 614 E. Krezdorn St., Seguin, Texas; Secretary of Stewardship, Miss Armenia Thompson, Pearl and McKinley Sts., Dallas, Texas; Secretary of Extension Work, Mrs. W. G. Smith, San Juan, Texas; Supt. of Junior Work, Mrs. A. A. Leifeste, 7029 Appleton St., Houston, Texas; Cor. Secretary of Brenham District, Miss Winnie Slawson, 2527 Carter St., Fort Worth, Texas; Corresponding Secretary of Lake Charles District, Mrs. C. W. Rodgers, 915 Common St., Lake Charles, La.; Corresponding Secretary of San Antonio District, Mrs. W. M. McGee, 108 Terrell St., Seguin, Texas.

LAY CONFERENCE MINUTES

The Lay Conference met December 1, 1932 for its organization and opening session with president pro-tem. A. M. Thompson, presiding. The Lay Conference voted to elect its officers for this session by acclamation, after a nominating committee had been elected to submit the names of two delegates for each office, namely: President, secretary and treasurer, the unelected ones to serve as vice-president, assistant secretary, assistant treasurer, in the absence of the elected officers. The nominating committee retired from the session to make its selection.

Our temporary president suggested that each delegate tell something of their work in the church, and a most profitable and blessed time was consummated in this individual report. It was our privilege to have with us our beloved Bishop Wade from the Stockholm Area, and Dr. Olander, one of our pioneer preachers. Dr. Olander gave us a most inspirational message which was a challenge to us younger people to give our best in our Master's service. Bishop Wade likewise gave an inspiring and instructive message. We feel grateful for these messages and for these two men who have given themselves to the task of Christ.

The nominating committee submitted the following names: For President, Mr. A. M. Thompson, Mr. A. J. Traeger; For Secretary, Mr. Frank Bartos, Jr., Mrs. H. K. Faulk; For Treasurer, Mr. H. E. Hoppmeyer, Mr. C. R. Deschner.

The following were elected by acclamation: President, Mr. A. M. Thompson; Secretary, Frank Bartos, Jr.; Treasurer, Mr. H. E. Hoppmeyer; Vice-President, Mr. A. J. Traeger; Assistant Secretary, Mrs. H. K. Faulk; Assistant Treasurer, Mr. C. R. Deschner.

Upon motion the Lay Conference adjourned subject to call.

Respectfully,

FRANK BARTOS, Jr., Secretary.

LAYMEN'S RESOLUTIONS

Be it resolved, that we the undersigned committee on resolutions, appointed by the chairman of the Laymen's organization of the Conference, bring greetings and appreciation of the recognition accorded us as representatives of our various churches in your body as an Annual Conference; and assure you of our hearty co-operation in every possible way to further the cause of Christ and the Church in our midst.

Respectfully submitted,

VII. MEMOIRS

REV. JACOB OTT

Rev. Jacob Ott was born August 18th, 1848 in Worms, Germany, and died in Brenham, Texas, February 15, 1932, reaching the age of 83 years, 5 months and 27 days. His death came very unexpectedly. On Sunday morning before his death he was in Sunday School and the morning service. On the following morning he went out into the yard where he fell. When Sister Ott and the neighbors brought him into the house, the doctor had arrived, but it was too late, his soul had gone home to God.

When a young man of 17, he came to Industry, Texas. There he came in contact with the Methodist Church, and was genuinely converted. When 26 years of age, he answered the call into the ministry. He was admitted into the Southern German Conference, which convened in Industry, Texas, January, 1874. For 40 years he served in the ranks of an active member of the Conference. In 1913 he asked to be placed on the superannuate list, but he was always glad to preach wherever and whenever an opportunity presented itself. He was a typical missionary, Methodist preacher; always looking for new settlements where he might preach the Gospel and organize new churches. Brother Ott organized several congregations and built five churches within the bounds of the Conference. He loved the ministry, the church, his Conference, and the Kingdom of God.

Sixteen fellow ministers attended his funeral which was in charge of his pastor. Rev. John Hierholzer preached the sermon; Revs. Witt, Buehrer, Linstrum and Homburg took part in the service which was held in the Fourth Street Church, Brenham, Texas. Several other ministers participated in the ritual at the grave. He was laid to rest in the Prairie Lea cemetery in Brenham under a profuse mountain of beautiful floral offerings from his family. church and many friends.

On November 21, 1872, he was married to Miss Frederike Hoehne of Industry, Texas, who preceded him in death January 30, 1892. Nine children were born of this union, four of which are living: Miss Bertha Ott, deaconess in Bethesda Hospital, Cincinnati, Ohio; Mrs. Max Winkel, Fredericksburg, Texas; Mrs. Otto Gaedeke, Phillipsburg, Texas, and Mrs. Monroe Lindemann, Industry, Texas.

On October 30th, 1893, he was married to his deeply bereaved widow, Miss Auguste Kielmann, Paige, Texas. Five children were born of this union, four of whom mourn his departure: Charles Ott, Fredericksburg, Texas; Ben J. Ott, Los Angeles, California; Mrs. A. W. Erck, San Marcos, Texas, and Mrs. John V. Dietz, Brenham, Texas. He also leaves two sisters, Misses Eliese and Kate Ott, of Los Angeles, California; twelve grandchildren, three great grandchildren, and many other relatives and a great host of friends.

Rev. Ott was a faithful minister, a very devout Christian man and a friend of man. He served faithfully in some of the hardest places in the Conference. He was a noble, individual and original preacher. It can be said of him as the poet sings:

"As a lamp lighteth another, nor is less;
So nobleness enkindleth nobleness."

It can be said of him that he served well, faithfully and humbly.

"We live in deeds, not years; in thoughts, not breaths;
In feelings, not in figures on the dial.
We count time by heart-throbs. He most lives
Who thinks most, feels noblest, acts best."

This, too, can be said of Brother Ott: "Well done, thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

BEN BEHRENS, Pastor,
Fourth Street Methodist Episcopal Church,
Brenham, Texas.

REV. FRITZ BECKENDORFF

Rev. Fritz Beckendorff was born June 28, 1863, near Rose Hill in Harris County, Texas. He died in Houston, Texas, February 24, 1932. His health began to fail about five years prior to his death. During all this time he had to avoid every exertion because of a weak heart. He was resigned to his fate and bore his cross with much patience. He was sick only a few days and was in full possession of all his mental faculties when death came; and quietly his soul took its flight into the realm above for its eternal abode. He reached an age of 68 years, 8 months and 25 days.

Early in his youth he gave his heart to God, and also felt the call to the ministry, but would not divulge the secret to any one, until one day the late Rev. J. Ott (who preceded him in death by only ten days) said to him, "Do you not feel a call to the ministry?", when he acknowledged his call. He entered Blinn Memorial College in the fall of 1888 and prepared for the ministry. In 1891 he received his first appointment and remained in the active ministry for 28 years, until he took the retired relation in 1919. At this time he took up his residence at Addicks, Texas, where he built a beautiful home and proved a constant benediction to the congregation. He often preached and for a while served as Sunday School superintendent.

In 1894, Rev. Beckendorff was married to Miss Mary Serviere, who for 37 years shared with him the joys and responsibilities of the ministry. He is survived by his widow and five children.

Rev. Beckendorf was a man of an even temper and sterling character. He was a man of a childlike faith and trust. He possessed a wholesome sense of humor, mixed with deep spirituality. He made no claim of any special gifts or talents, but the words of the Master were applicable to him: "Well done thou good and faithful servant." He was a good man and he was faithful in every trust committed to him. He was completely consecrated. He was a wonderful companion and source of comfort and encouragement to his deaf and dumb son, into whose life he was bringing constant sunshine and happiness.

In the 28 years of his active ministry he served ten charges, comprising twenty-seven appointments. Many of them were difficult places and required much travel over long and rough roads. Some of the appointments are today among the strongest charges. There will be many stars in his crown for faithful work performed.

Rev. Beckendorff lies buried in the Bear Creek Cemetery near Addicks, Texas. Rev. August Didzun, at the time his pastor, and who a month ago followed him to the heavenly mansions above, had charge of the funeral service, assisted by Revs. C. W. Schlechte, H. M. Hopkins and the undersigned.

Farewell, thou comrade of the cross. We know

"There is a world above,
Where parting is unknown,
A long eternity of love,
Formed for the good alone;
And faith beholds the dying here
Translated to that happier sphere."

REV. JOHN C. GROTH

John C. Groth was born in Cuxhafen, Germany, on April 25, 1846. His father was a ship carpenter and a God-fearing, industrious man. His mother was a quiet, unassuming Christian mother, who ordered her household in such a way as to make it so homelike that her five sons found their chief delight in the home. As a young lad he attended the services with the family at their church located some miles from their home. Here he received his early religious training which made a deep impression upon him.

Early in life, young John became interested in ships. As a fifteen year old lad he enlisted in the crew of a ship which set sail from Cuxhafen bound for Glasgow, Scotland. His voyages, later, took him far out across the Atlantic Ocean around Cape Horn, the southern tip of South America, and up on the coast of Chile. Other voyages were also undertaken. On one of these he had the unusual experience of seeing the ship on which he was, burn in the middle of the Indian Ocean. The sailors took to the small life boats, and with very scant provisions and fresh water their little barks bobbed about in the shark-infested waters for seven days before a ship was sighted. And this to their utter dismay and consternation sailed away, leaving them to the mercy of the seas. The next day, however, another ship providentially discovered them in their plight, half-starved and with lips and tongues swollen so that they could not speak, took them on board and supplied their needs.

He could relate many other experiences, among them that of a terrific storm in which an American ship which he had boarded in Calcutta was caught. It was during this storm, when it seemed that the ship and all aboard were doomed to a watery grave, that his conscience was aroused and he turned to God for help. The storm abated and on this same ship he landed in Maine in May, 1864. Here he was invited to be the guest in the home of the captain of the ship. This captain's wife was a true Christian and a great inspiration and help to the young sailor. It was during a revival meeting in this same city that he was soundly converted to

God, in 1866. He soon felt the call to the Christian ministry. Through the kindness and interest of Dr. Warren, then president of Boston University, and others, he was directed to Baldwin Wallace College in Berea, Ohio. He matriculated in this school on November 21, 1867. It was in 1870 that he received his exhorter's license and soon after also his local preacher's license. After his graduation in the same year he turned eastward and found his first field of labor in the New York City Mission, in the East German Conference of the M. E. Church.

Brother Groth was thoroughly consecrated to his task and was a good preacher and a faithful pastor. In 1912 he was granted the retired relation. He built a modest but comfortable home in San Antonio where he resided until the end came. During these declining days of his life he greatly endeared himself to a wide circle of acquaintances, and especially to the members and friends of Hackberry Street Methodist Church. He was a regular worshipper in the church to the very last and as long as his physical strength permitted, he took an active part in the work of the church. He loved the church and was a constant inspiration to the worshippers and to the pastor. He was modest and unassuming. He had a child-like faith and trust in God which was rare and exemplary. He was ever considerate and highly appreciative of any kindness shown him. He possessed a true sense of humor, and cheerfulness was a jewel of his soul. He won the love and affection of many by his sweet disposition. Folks frequently said that when they felt blue and discouraged and visited "Uncle John", as he was affectionately known to many, they always left feeling happy. This same spirit of cheerfulness found expression through every day of his last illness to the very end.

On a Sunday night he was stricken with influenza. Friends thought that he could not live through the week. However, by the beginning of the next week he showed signs of improvement. Although he was very weak he seemed to be gaining strength. On the day of his death he had planned to sit up a while. He rested fairly well during the night, enjoyed his breakfast, and was in good

spirits. Only a few minutes later his wife in an adjoining room heard him gasping but hastening to his side found that life had departed. Quietly and peacefully as though in answer to his prayer his spirit slipped away to be with God. The end came Friday morning, April 1. He had reached the age of 85 years, 11 months and 6 days. He lies buried at Perry, Texas.

On November 27, 1873, he was united in marriage with Miss Caroline Fischer, in New York, N. Y. To this union five children were born, among them twins. Three of these died in infancy. After ten years his wife also passed away.

On April 15, 1884, he was again married, this time to Miss Katherine Frank, in Baltimore, Md. To this union six children were born, among them again twins. The twins and one other child died in infancy. After sharing life's joys and sorrows with him 26 years, his wife again was taken by death.

He was again married on June 21, 1911, this time in San Antonio, to Mrs. Mathilda Kopenhagen, the widow of a Methodist preacher. She shared the evening of life with him and now mourns his passing.

He is also survived by five children. They are: Mrs. E. A. Behringer, of Cleburne, Texas, Wesley Groth of Waco, Texas, Paul Groth of Dallas, Texas, Will Groth of Mason, Ill., and Mrs. E. R. Langley of Washington, D. C.

The erstwhile sailor and sky-pilot has brought his bark safely into the haven of rest. The storms of life are o'er. The Master of ocean and earth and sky sounded the call to relinquish the final watch and he has cast anchor in the port of eternity.

REV. G. W. F. SCHREIBER

Rev. George W. F. Schreiber was born in Mecklenburg, Germany, August 20, 1872, and died in Mason, Texas, October 10, 1932. At the age of eleven years he came to America with his parents and made Texas his land of adoption, landing at Rutersville, Texas. It was at Rutersville where Bro. Schreiber became acquainted with the Methodist Episcopal Church. Soon after his conversion he felt the call to the ministry. From 1890 until 1894 he attended Blinn Memorial College at Brenham, preparing himself for the ministry. In the fall of 1894, Bro. Schreiber was admitted into the former Southern German Conference on trial; he was ordained deacon in 1896, and elder in 1898. From that day to the time of his retirement, he gave himself unreservedly to the work of a minister.

Bro. Schreiber was an able minister of the gospel, doing his work faithfully as an evangelist. He was fearless in his ministry, his preaching was not with "enticing words of man's wisdom, but in demonstration of the spirit and power", and because of this, his ministry was successful, and his hearers were pleased to hear him.

At the conference in 1923, Bro. Schreiber asked his conference for a supernumerary relationship. He remained in this relation for two years, during which time he was engaged in business in Mason. But he never felt at home in the business world, and in 1925 he re-entered the ministry, and was assigned to Bracken for the second time. Bro. Schreiber was permitted to spend another five fruitful years in the ministry at this charge.

In the early part of 1931, Bro. Schreiber took sick, after an operation and upon the advice of his physician he laid down his beloved work. He came to Mason, his former home, for rest and recuperation, hoping that he might be permitted to assume his beloved work after a few years of rest. Bro. Schreiber not only preached the Christ in the pulpit, but he also preached the Christ in his suffering. Again and again, he said, "Bless the Lord, O My soul, and forget not all his benefits."

On December 7, 1897, Bro. Schreiber married Miss Mathilda Dannheim. To this union were born four children, who were all present when the peaceful end came.

The funeral service was conducted at the Mason Methodist Episcopal Church. It was attended by a large number of his brethren in the ministry and a host of devoted friends.

Bro. Schreiber leaves to mourn his death his beloved wife, one daughter, and three boys, and three grandchildren, five brothers and one sister, besides a great number of relatives and friends.

REV. AUGUST DIDZUN

Reverend August Didzun was born on March 20th, 1863, in East Prussia, Germany. He came to America in his early youth. After a few years, he entered the Nast Theological Seminary, now known as Baldwin-Wallace College at Berea, Ohio. Upon completion of his theological course at that institution, he entered the St. Louis German Conference in 1887, having served as supply pastor for a year or two before he entered the conference.

In 1903, Rev. Didzun came to Texas, seeking a milder climate for his health. He transferred into the Southern German Conference of the Methodist Episcopal Church, remaining an active member until his death on November 1st, 1932. Although his health was somewhat impaired for the most part of the conference year, yet he pursued his work with his usual interest and devotion. He was looking forward to the approaching annual conference session with unusual interest, and had decided that he would ask the conference for the retired relationship. However, this privilege was not to be his, for the Lord called his tired servant out of the active ranks, and bade him come higher up to his eternal rest in the mansions above.

His first pastorate in Texas was at Houston, where in 1905 his wife died, leaving him with three children. In 1906 he married again. After seventeen years, this helpmate also preceded him in death. Since the passing of his second wife, nine years ago, he felt lonely, but carried on his work in the ministry heroically and uninterruptedly. He is survived by a son and daughter and a daughter-in-law: O. J. Didzun and Miss Ester Didzun and Mrs. O. J. Didzun.

Rev. Didzun has been an honored member of the conference, holding many positions of responsibility. At the time of his death he was treasurer of the Conference Board of Stewards, which office he held for many years in a most efficient way.

Bro. Didzun died in the Methodist Hospital at Houston, Texas, on November 1st, 1932, after several weeks of illness. A brief funeral service was conducted in Houston in charge of Bro. C. W. Schlechte, assisted by the following pastors: H. M. Hopkins, J. J. Brodhead, Henry Jongema, J. F. Sarner, A. C. Peterson, and C. M. Nyquist. His body was then taken to Waco for interment where the funeral services were in charge of Bro. A. A. Leifeste, who was assisted by the following: O. E. Linstrum, J. W. A. Witt, H. W. Bahler, R. R. Bloomquist, W. L. Hornung and E. F. Schuessler.

"Servant of God, well done! rest from thy loved employ;
The battle fought, the victory won, enter thy Master's joy.
The voice at midnight came, he started up to hear;
A mortal arrow pierced his frame; he fell, but felt no fear.

Tranquil amid alarms. It found him on the field,
A veteran slumbering on his arms, beneath his red-cross shield.
His sword was in his hand, still warm with recent fight,
Ready that moment at command, thru rock and steel to smite.

The pains of death are past, labor and sorrow cease;
And life's long warfare closed at last, his soul is found in peace,
Soldier of Christ, well done! Praise be thy new employ;
And while eternal ages run, rest in thy Saviour's joy."

MRS. W. C. MANN

At 5 o'clock on the evening of August 24, 1932, the God who gave it, swooped down to this earth and caught unto himself the spirit of a dearly beloved woman and said, "It is enough." Mrs. Mary Ida Clark Mann was born August 7, 1867 in Rapides Parish, La., and died at her home in the Noonday community, after an illness of over two years, at the age of 65 years and 17 days.

She was married to W. C. Mann, March 7, 1887, and to this union were born seven children, four boys and three girls. Mrs. Mann was converted in September, 1892. In 1896 she united with the Methodist Episcopal Church of which she remained a devout, conscientious, faithful member until her end.

Mrs. Mann experienced the hardships and joys of a pastor's wife for over thirty years. Through all those years she was a comforter and a help-mate to her husband in the ministry of Christ. Her husband and children were loyal and faithful to her to the last and ministered to her needs with tender care. The last days of her life were full of sunshine, even in the midst of her sufferings, and she never complained but trusted God and leaned upon Him for strength and comfort. She was a patient sufferer and bore her trials and suffering in a spirit of Christian fortitude.

Mrs. Mann stood unwaveringly for the best and highest ideals of the community in which she lived. She was a woman of strong convictions. Every good cause had her hearty support. She was good, kind, gentle, loving and patient at all times, which endeared her to the hearts of the many friends who mourn her death. To know her was to love her.

Mrs. Mann was loyal to God and her church, and was deeply interested in the various activities of the church. She was a living example of the beautiful experience she professed. Her high ambition was to serve God, the Church, and humanity. Her ready smile and encouraging counsel will be greatly missed in the church and the Ladies' Aid of which she was a member. The entire community and surrounding communities join in heartfelt sympathy for Rev. Mann and the children. This year closes out the seventh year for Rev. Mann as pastor of Noonday Church.

Funeral services were held at Noonday Church Thursday morning, August 25, at 11 o'clock by Rev. Williams, pastor of the Methodist Episcopal Church of Marshall, Texas, assisted by Rev. B. P. Wynne, of Marshall, Rev. John R. Campbell, pastor of the Baptist Church of Hallsville, and Rev. H. E. Jones of Noonday. The floral offerings were in profusion. Interment was in the Noonday cemetery.
